Proceedings of the Chief Court of Mysore.

No. 2325/189 Bangalore 13th October 1896.

Read docket No. 389 dated 5th October 1896 from the Subordinate Judge of Bangalore, reporting that each of the two process peons of his Court accused of having misappropriated certain sums entrusted to them, have been convicted and sentenced to 3 months rigorous imprisonment, and forwarding for reference a copy of the Judgment passed by the City Magistrate of Bangalore in the Case of one.

The Sub Judge is requested to submit for perusal of this Court the Judgment passed in the Case of the other accused.

From the Judgment of the City Magistrate it is clear that the

fact

fact of misappropriation of the sum of Rs 10 or a portion of it remained unnoticed for more than a month, viz. from 21st May to 24th June, if not till 9th July. Evidently the fact remained hushed up until perhaps it was found necessary to bring it to the notice of the Sub Judge while submitting the half yearly Cash balance statement for his signature. Probably the fact would not have been brought to light at all if the delinquent had had further time to recoup the amount before the submission of the half yearly statement.

If the Cash transactions were properly scrutinized and the accounts checked or audited from time to time, there would be less opportunity for occurrences of this

nature
